

## BINGO FOR BEAT

A fun, easy way to raise money, and have fun with friends at the same time? Bingo!

1. Choose how much you are going to charge people to take part. This could be any amount you choose (we suggest a £2 minimum)
2. Print each player a bingo card (sounds obvious, but don't forget to make sure that everyone playing has a different one).
3. Recap the rules for your players – remember whoever gets a horizontal, vertical or diagonal line, or that elusive full house shouts 'bingo'!
4. Time to channel your inner bingo caller. Use a random number generator, (or even create your own bingo balls using ping pong balls or pieces of paper) to choose numbers between 1-90.
5. Ready? Let's play! Draw the numbers and get started – you can play just for fun, or organise some small prizes for a line or full house.
