Eating Disorder Training for Healthcare Staff

Our CPD-accredited training course is delivered by an experienced eating disorder clinician and includes the voices of our lived experience volunteers. It's intended for any healthcare professional, who is not a specialist, but wants to be better equipped to spot the signs of an eating disorder and support clients presenting with symptoms of one.

The course is funded by Compass and NELFT, and is therefore free to participants, but requires individual booking.

Available to staff with patients in the following areas:

Barking, Dagenham, City and Hackney, Havering, Newham, Redbridge, Tower Hamlets, and/or Waltham Forest.

Participants can choose to complete the training virtually (in 1 day or 2 halves a week apart) or in person.
