FORMAT OF THE EVENT

This event will take place virtually and we have an exciting programme planned.

Sessions will also be recorded, so that you can watch the content for up to a month after the workshop has finished.

You can access the recordings using the same link you use to access the event for live sessions.

We ask that attendees treat all speakers and other delegates with respect. The event organisers reserve the right to revoke access to the platform to anyone we feel is using inappropriate or abusive language towards others.

The background of the image is a solid blue color with a repeating pattern of the Bitcoin logo. The logo is a gold-colored 'B' with two vertical bars on either side, and it is slightly offset and semi-transparent, creating a textured effect.
