

**Be Bright and Bold  
for EDAW 2022**

# Beat Bingo

**Organise your very own Bright and Bold Beat Bingo - you can hold it at home, virtually, at work or at school!**

**A fun way to help us raise funds, start conversations and change lives.**

## How to play

- Print and cut out your grids.
- Fill in the numbers in the blank squares from 1-100.
- Ask your players to donate to play, you could suggest £1, £3 or £5.
- Call out numbers 1-100 in a random order and ask your players to cross off the numbers on their grid as they're called out.
- The player to cross off all their numbers first shouts BEAT BINGO!
- Give the winner a portion of the prize money or source a special prize just for them while the rest is donated to your EDAW fundraising.

**Important!** Bingos are a type of lottery, which means that legally you can only run this game in one place on the day of your activity. Get in contact with the fundraising team if you have any questions about this.
